## **Dipl. Ing. Dr. Peter Kitzmantel**

At the end of 2015, we said goodbye to our partner and Senior Counsel Dipl. Ing. Dr. Peter Kitzmantel, who leaves us for well-earned retirement after years of loyalty and support. We wish Dr. Kitzmantel all the best. We thank him also in the interest of our clients for his successful support and for the additional knowledge and experience he has taught us as a decade-old former member of the European Patent Office and the Boards of Appeal of the European Patent Organizations. We remain connected in a professional friendship and will continue to have legal discussions with him and eventually ask for his advice also in the future.
